

Biokinetics is open for business, although we are carefully maintaining personal distancing and hygiene within our facility. Our ballistics and biomechanics labs are housed in different regions of our facility and shall continue operations to serve you. Many of us are working from virtual sites, but we remain connected as a team. In these challenging times, we thank you for your patience and we look forward to hearing from you by phone or email. In the meantime, we hope you and your families stay well.
